

Castle Rock Quilt Club Minutes January 16, 2018

Pamela Dittmer, President, opened the meeting welcoming guests and announcing birthdays for Karen Kennett, Kathy Gale, Carolyn McCormick and Francine Onofrio. Mary Beth Burns, Deb Kirby, Tammy Hottman, Candy Garrido and Pamela Dittmer brought delicious treats.

Quilts made by members were brought and shown and will be given to the Sheriff's Department. These quilts will go to the families of the downed officers in light of the recent tragedies to our heroes who service us all. In the future all requests and distribution of charity quilts will be handled by Lois Roth.

Mary Beth showed the BOM and a Special Door Prize was given from last fall. She also announced that our "Annual Auction" will be on March 6th so gather your fabrics, kits, notions and patterns for our fund raising event.

Carol Boneti, owner of Sewceity our local quilt shop, was our speaker demonstrating and inspiring all with her quilting rulers. These rulers will speed up and perfect our machine quilting.

The meeting was then adjourned.
