

Castle Rock Quilt Club February 6, 2018

President, Pamela Dittmer, opened meeting and announced birthdays for Deb Bosler, Carolyn Robertson and Christine Vehrs. Katy Gale, Pat Madaford, JoAnn Leung, Christine Vehrs and Kathy Snow brought wonderful treats enjoyed by everyone.

The Rocky Mountain Quilt Museum is having their Biennial Exhibit of “ Quilts Made by Men” starting February 5th through May 25th for our members to attend. Also, the weekend retreat will be in Black Forest the Hideaway on March 15th through March 18th and there is still space available. The October weekend retreat is full at this time but please contact Pamela Dittmer for more information.

Gay Goddard introduced Kate Colleran, author and designer of quilts since 1978. She is featured in many magazines such as McCalls Quilting and on TV shows. Her trunk show was beautiful and inspiring.

Quilt camps will be at Marianne Jeffrey’s on February 8th, Karen Parry’s on March 29th, Pamela Dittmer’s on April 19th and Kathy Snow’s on May 17th.

Show & Tell was enjoyed and the meeting was then adjourned.
