Mary Beth Burns was in charge of the meeting. She introduced Cliff Burns, our auctioneer, and he took over the auction with the help of Mary Beth Burns, Ramona Hamline, and Kathy Rutkosky.

Our auction consists of club members donating fabric of all sizes, kits, books, magazines and notions and other quilting items. This has been an annual event that all enjoy not only for the fun but this is a wonderful source to fund our programs with special speakers. This year was quite successful financially thanks to our members giving of their special treasures and their generous spending of acquiring new treasures. There is always room for more treasures!

There are birthdays to celebrate this month for Tammy Hottman and Elaine Thornton.

The meeting was then adjourned! Until next year's auction "Happy Shopping"!
